

Garner's Field – Campsite Rules

For the safety and welfare of all please comply with the following:

- ❖ Camp only at your reserved pitch around the edge of the field. The central open areas are for the use and enjoyment of everyone.
- ❖ Vehicles are prohibited from crossing the campsite when the ground is saturated. Otherwise, vehicles may only cross to load/unload then immediately return to the car park.
- ❖ When young people are present on the main field any vehicle driving must be escorted by a responsible adult proceeding on foot with a maximum speed of walking speed.
- ❖ Do not dig fire pits – use the altar fires and fire bowls provided. Do not dig wet pits.
- ❖ Do not burn or bury rubbish, take it away or use the dumpy bins provided.
- ❖ Be considerate of noise and reduce noise after 8:00pm. Lights out and the site to be quiet by 10:30pm.
- ❖ To avoid upsetting nearby livestock no loud noises or fireworks are permitted.
- ❖ Only use wood taken from the wood store, brought onto site, or dead wood picked up from the ground – never from live trees. Use axes and saws responsibly.
- ❖ Stay on the path alongside the river and only use the river for activities under adult supervision.
- ❖ Do not cross onto the far side of the river as it is private property.
- ❖ Stay clear of the river sluice. For water activities do not proceed beyond marked limits.
- ❖ For specified activities only use their designated areas; archery, air rifle shooting; tomahawk throwing. Ensure the designated area is safely set up and equipment is used in line with the written procedures.
- ❖ Stay out of the climbing tower and supervised assault course enclosures unless authorised to use the equipment.
- ❖ The use of fires, gas burners or portable heaters inside the two weather shelters and the activity building is forbidden.
- ❖ No animals are allowed on site unless they are service animals.
- ❖ Smoking or vaping is not permitted on the campsite.
- ❖ Alcohol should only be consumed by those over 18 years old and not directly responsible for the supervision of under 18 years old.
- ❖ On departure leave the toilet block and activity building clean and orderly. Ensure individual camping pitches have been left litter free and tidy. Return all unused wood to the wood store. Return any equipment and remove all rubbish.
- ❖ In the event of an accident, injury or if faulty equipment is found, treat the injury, make the area/item safe then notify the Warden.
- ❖ Members of the Scout Association are reminded that whilst at the campsite they are responsible for ensuring their Group's activities are in compliance with Scouting POR.
- ❖ Be considerate of others on the site, particularly with the activities not on offer on the site and if you have an issue contact The Warden or The Campsite Manager.

Contacts: The Warden 07469 969305, Campsite Manager 01252 797115.
